Hola! Yall can stand down regarding our Op next week. We will be in GarCo and EagleCo whole time.

Shit. That's where I told my vatos to go. When are they coming to Mesa county if you know

Hahaha. Run away!

I don't think for a while since the Jail, Montrose and Delta Counties work with us. Focusing on areas without ERO or who don't work with us.

Yo

Yo

How come I'm seeing on the news there's an investigation being conducted involving one of my traffic stops? But I haven't been made aware of an investigation taking place?

I would have no idea.

**Utah Student sparks  
Colorado investigation**  
share.google

[REDACTED] said the  
news was asking about  
her.

Well the article says the  
office released a  
statement saying they are  
conducting a full  
administrative review...  
what's that entail on our  
end?

I haven't been told about  
any investigation. So it's  
news to me
